**Solicitation No:** GF8010-D  
**Solicitation Title:** BALD EAGLE NESTWATCH PROGRAM  
**Solicitation Due Date & Time:** NOVEMBER 30, 2007, 3:00 P.M., MST

**SOLICITATION FACTORS:**

**1. INTRODUCTION**

The purpose of this Request For Proposal (RFP) is to provide for multiple contractors to monitor Bald Eagle nests at various Arizona locations for the Arizona Game and Fish Department (AGFD).

**2. SCOPE**

Arizona supports a small and unique resident population of endangered bald eagles. The 46 known breeding areas in Arizona constitute the only population of desert nesting bald eagles in the United States.

The Nestwatch program was conceived to protect and study these nesting bald eagles. It began in 1978 with a single volunteer nestwatcher assigned to one nest and has grown into a multi-agency program that is able to place teams of two trained nestwatchers at ten to fifteen breeding areas each year.

*Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, or this document in an alternative format, by contacting the AGFD Deputy Director, 2221 W. Greenway Rd., Phx., AZ 85023, (602) 789-3290. Requests should be made as early as possible to allow sufficient time to arrange for accommodation.*

Thank you for your interest.
